

## SENT ACROSS THE RANGE

Kelly, the Burglar, Returned to His Former Home to Remain Four Years.

The Trial of Officer Quintin in Judge Woodman's Court Yesterday.

A Young Man Arrested on the Charge of Forgery—Various Minor Police Items.

Jos. Kelly, alias Jesse Rice, plied guilty of attempted burglary before Judge Hunt and was sentenced to four years' imprisonment in the penitentiary. This is the criminal who last month was released from the penitentiary and upon his arrival in Helena at once proceeded to housebreaking. His attempted burglary at the Ward residence, where he attempted to apply chloroform or ether to two young women, are still fresh in the public mind. Nieman, Kelly's partner, will stand trial.

Officer Quintin's Case.

Before Justice Woodman yesterday the trial of Officer Quintin, charged by Sears, the pugilist, with unprovoked assault, was held. Attorney Nolan prosecuted, and Mr. Balliet appeared for Quintin. The evidence adduced showed that Sears was not only under the influence of liquor Sunday night, Dec. 1, but that he made repeated threats to others that he would "do" Quintin up. He followed the officer into dark streets, where by brushing against Quintin and using abusive language he tried to enrage him in a brawl, but the officer took no notice of him. When on Main street the officer was in the discharge of his duty and expected every minute that Sears would step up behind him and carry out his threat. Sears finally laid his hand upon the officer's shoulder, when the latter, not knowing what would come next, pushed Sears away from him, and in his half-drunken condition the pugilist kept his feet and toppled over. While the officer would be justified in arresting Sears, he declined to do this, realizing that a conflict was imminent and the result would be that Quintin would again appear before the public as a brutal officer. The last time this change was preferred against him, the city council, mayor and city marshal made a thorough investigation and exonerated the officer. Mr. Balliet in the course of his argument said Quintin would have been justified in breaking his club on Sears' head, after the latter had threatened to do him bodily harm. Policemen, he said, are always considered targets for abuse and he likened the present case to the Haymarket scenes, the only difference being that the low scoundrels who bear malice toward the officers because they faithfully discharged the duties of their office at some previous time, instead of throwing bombs at the officers' feet, have the officers brought before a court there to express the malice and animosity for these servants of the law whenever they imagine they were wronged.

Whether it was because Mr. Balliet was the opposing counsel, or whether it was because he wanted to keep up his record of winning every case he has had since he was elected, is not known, but Attorney Nolan talked for nearly an hour and maintained that the simple fact that Quintin knocked Sears over with his hand was sufficient to warrant a conviction.

Judge Woodman reserved his decision until to-day. Officer Quintin is one of the best officers on the force and has never swerved in discharging his duty, no matter how delicate or hazardous it might be. Like every man, he has enemies, but they are among the worst class.

Arrested for Forgery.

Ed Woertendyke, a newsboy on the Northern Pacific, was arrested yesterday by Detective Walters on a charge of forgery. He presented a check for payment last Saturday at the First National bank which called for five dollars, payable to "E. B. Mortimer or order," and signed "E. A. Woertendyke," the real name of the forger. Woertendyke denies that he forged the check and will have an opportunity of extricating himself before Judge Sanders to-day.

John Kelly, a sneak thief recently from Butte, stole a four-gallon keg of syrup from Kuphal & Leopold on Saturday night and was yesterday sentenced to thirty days in the county jail by Judge Sanders.

Jos. McCormick and Chas. Massinger were on trial yesterday for engaging in a saloon brawl.

The police are making the regular quarterly round-up of the occupants of houses of ill-shape, who are assessed \$25 and costs each.

THE M. A. M. & M. A.

The directors of the Montana Agricultural, Mineral & Mechanical Association met last evening at the office of Porter, Muth & Cox to discuss their plans and make preparations for the season of 1890.

The new buildings will be pushed so as to have them in readiness for the next Fair. The board decided to give a four days race meeting July 2, 3, 4 and 5, at which liberal purses will be hung up for both runners and trotters.

At the Fair in August the meeting will be extended to a ten days' meeting to accommodate the increasing attendance and to satisfy the demands of the horsemen for more racing. By holding a ten days' meeting the directors hope to give Fair week more attention and prominence. The meeting will commence Aug. 20 and close Aug. 30. Messrs. Hundly, Hard, Chessman and Pope were appointed a committee to prepare the racing programme. The premium list will be submitted to a different committee and be revised later. The treasurer reported that about \$11,000 in permanent improvements had been expended during the present season, and that about \$30,000 would be required for the improvements, for which plans are being prepared.

Ladies should call at Fred Gerner's and get a pair of slippers, as he is selling them at a very low price.

## AMUSEMENTS.

McKee Rankin's Opening at Ming's Opera Last Evening.

McKee Rankin and his company were greeted last evening by an audience that nearly filled the spacious opera house. It was not only a gathering of fashion, but an audience thoroughly appreciative of an excellent performance. The Runaway Wife is a clever and effective dramatic construction. It is the old story of love and hate with a climax in which "right conquers at last." It was, however, interpreted last evening without the usual soul tearing features. Of Mr. Rankin's acting it is not necessary to say more than that his character was sustained fully in keeping with his reputation as a distinguished actor. The parts in which he impressed his audience with the power of his emotional expression were rendered with the ease and control that mark the successful career of a popular artist. Miss Mabel Bert as Lady Alice gave the audience an excellent portrayal of the sufferings of a wronged wife. The delicate and pleasing thread of comedy was admirably developed by Miss Lorena Atwood and in a lesser degree by Mr. W. Wynne. The entire play was rendered with a harmony seldom given by "star" companies. It will be repeated this evening.

The following were the proceedings in district court yesterday:

The Water Contract.

At the city council meeting to-night the water question will come up again for consideration. As the water company has emphatically asserted that they will refuse to accept anything but a five-year contract and as a majority of the council has voted against this, it appears that the deal will fall through. After Jan. 1 the contract with the city will expire and then the water company will charge the city any sum it feels like for water. Since the contract as amended is favorable for the city there are many people who believe the company should be granted the five-year contract. At the last meeting Alderman Harrison said any company would be very foolish to accept the contract as amended.

The Helena Minstrels.

The Montana Troubadours are now skimming for a new manager since Mr. R. S. Hill has announced his resignation. This is a minstrel organization of local talent and the young men composing it have been diligently rehearsing for the past two weeks. It was the intention to give two entertainments for the benefit of the Episcopal church. Charles Balcock and Dave Montgomery are the end men while the balance of the company are nearly all English-

men, who still have the British brogue and would make a highly mirth-provoking minstrel show. It is probable that at the next rehearsal the organization will disband only to reorganize, and the management will probably be placed in Montgomery's hands, a very competent person. The company has Harmonia hall engaged for rehearsals and has \$30 in the exchequer.

## COURT HOUSE CULLINGS.

Articles of incorporation for the Garden City Land company were filed yesterday. The capital is fixed at \$6,000, in 120 shares of \$50 each. The headquarters of the company will be at Missoula. The trustees are Andrew B. Hammond, Charles H. McLeod and Thomas C. Marshall.

J. T. Phillips has been elected captain of Co. I, First regiment N. G. M., in the place of E. A. Kenney, who has been promoted to major.

The Montana Coal and Iron company was incorporated yesterday with a capital of \$2,000,000, in 20,000 shares of \$100 each. The principal office will be in New York, though the business of the company will be carried on at Billings. The trustees are Elijah Smith, Edward J. Berwind, John E. Berwind, Elias L. Frank, John S. Filney, of New York, Prosper W. Smith, of Boston, Ansley S. Davis, of South Oyster Bay, L. L. Philip M. Gallaher and O. F. Goodrich, of Billings.

Several improvements are being made in the interior of the court house. The ante-room adjoining Judge Blake's room is being handsomely finished and decorated. A partition with stained glass windows has been put up and the walls papered and frescoed. Judge Blake will occupy the room when finished and Judge Hunt will use the room now occupied by the chief justice. Samuel Word, A. Fox, L. G. Phelps, Charles L. Dahler, H. S. Howell, D. F. Riggs and A. J. Bradley have incorporated the Copper Bell Mining company. The capital is fixed at \$5,000,000 in 500,000 shares at \$10 each.

Ladies, Free (name is) offering the best dress shoe ever shown in this town for \$3.75.

## JOTTINGS ABOUT TOWN.

Treasurer Barden says that everybody must pay their taxes before January 1, 1890. After that time 10 per cent will be added.

Local railroad employees will regret to hear that J. C. Kins, formerly conductor on the Northern Pacific, is very ill at Atchison, Kansas.

The Ladies' Aid society of the Presbyterian church will hold a parlor sale at the residence of Mrs. W. A. Chusman, Thursday, Dec. 10th. Afternoon and evening opening at 1 o'clock. Gifts suitable for the holidays will be presented for sale, including articles from the Holy Land, Switzerland and Scotland.

## The Latest Out.

A Daily Through Car Service has been established by the Chicago, Union Pacific & Northwestern Line from San Francisco, Portland, Spokane Falls, Butte and Helena, to Chicago via Council Bluffs, thus offering to the public facilities not given by any other line. "The Limited Fast Mail" which runs daily between the above points, carries the Overland Fast Mail a limited number of first-class passengers without extra charge, and is composed of Pullman Vestibule Sleepers, San Francisco to Chicago via Council Bluffs, Pullman Vestibule Sleepers and Pullman Dining Cars, Portland to Chicago via Council Bluffs.

This is another indication that the Union Pacific is desirous of meeting the requirements of the people. For information in regard to this and other trains on this line, apply to any Ticket Agent, or E. L. Lomax, General Passenger Agent, Omaha, Neb., or E. P. Wilson, General Passenger Agent, C. & N. W. The medicine in the world is giving such unparalleled satisfaction for purifying the blood as Regis' Blood Purifier and Blood Maker, and every bottle that does not do its work will cost you nothing. ## Croup Can Be Prevented.

We want every mother to know that croup can be prevented. There is no question about this as it has been done in thousands of cases, and you may depend upon it that when a child takes the croup, it is wholly owing to the negligence of its parents. True croup never appears without due and timely warning; a few hours or a day or two before the attack, the child becomes hoarse. This hoarseness is the first indication of croup, and is a sure sign that croup is to follow, unless promptly and properly treated. The free use of Chamberlain's Cough Remedy as directed with each bottle, under the heading, "to prevent croup," will dispel all symptoms of the disease. The first sign of croup, hoarseness, may be overlooked by young mothers or those not familiar with the disease. Under such circumstances, or when not properly treated, the hoarseness becomes more marked and the child shows symptoms of having taken cold, then a peculiar rough cough is developed. Even at this stage Chamberlain's Cough Remedy will prevent the croup, but after the cough has developed, the croup is liable to appear at any moment. The proper way is to keep a bottle of Chamberlain's Cough Remedy at hand. It costs but fifty cents and only a few doses, or at most, not over one-third of a bottle is required to dispel all symptoms of the disease. Can you afford to risk so much for so little? There is not the least danger in giving this remedy in large and frequent doses, which are always required, as it contains no injurious substance. As a proof of this fact, we refer to John L. Olson, of Des Moines, Ia., whose 3-year-old boy drank the entire contents of a fifty-cent bottle of Chamberlain's Cough Remedy without the least injury. For sale by H. M. Padden & Co.
